

God's Heart

Proposed HSA-UWC (Unification Church) Religious Emblem Program

The religious emblem program found in this manual was developed in 1994 by Gary Fleisher to meet the requirements of the Boy Scouts of America religious emblem program. Due to lack of approval from the then USA HQ for HSA-UWC (Unification Church), the program was never finalized. It is offered here for its historical significance and educational value for the young people of the Unification Church/Family Federation for World Peace.

God's Heart

HSA-UWC (Unification Church) Religious Emblem Program

What is the God's Heart Program

The God's Heart program is a religious emblem program, created for Boy Scouts, Varsity Scouts, or Explorers.

To earn the God's Heart emblem you will serve others, and learn about our Heavenly Father, True Parents, and the Unification Church. When you have earned the God's Heart emblem, you will have earned more than a medal. You will have moved our world closer to Heavenly Father, and become a more mature person yourself.

How Do I Earn the God's Heart?

Your counselor may work with you alone, or with a group of candidates for the God's Heart.

Your counselor may replace God's Heart requirements with other requirements. They may modify or add requirements. Your counselor and your parents will certify that you have earned the God's Heart.

GOD'S HEART Counselors Manual

What Is the God's Heart Program

The God's Heart program is a religious emblem program, created for Boy Scouts, Varsity Scouts, or Explorers.

To earn the God's Heart emblem, candidates serve others, and learn about our Heavenly Father, True Parents, and the Unification Church. The God's Heart emblem is not just an external accomplishment. To earn it, candidates will move closer to Heavenly Father, and become more mature persons.

The Process of Earning the God's Heart Badge

The process of earning the God's Heart is:

1. Candidates and their parents locate a counselor.
2. The counselor and parents work with the candidate to fulfill the God's Heart requirements.
3. The counselor and parents certify that the candidate has fulfilled the God's Heart requirements.
4. The God's Heart is awarded, usually at a church service.

Who May Be a Counselor

The counselor is someone who is, or is approved by a Unification Church Leader. Any Local, City, State, Regional, or National Unification Church Leader can approve a counselor.

A counselor need not be a Unification Church member, although a counselor must have a clear understanding of Unification Theology and tradition. A counselor should be someone who has the character and knowledge to lead the candidate to a deeper understanding of God, True Parents, and the Unification Church.

What a Counselor Does

The counselor confers the God's Heart award. Externally, the counselor decides what a requirement is, and when a requirement is fulfilled. The counselor may change, add, or replace God's Heart requirements. A counselor may council individual candidates or groups of candidates.

Internally, the counselor should raise and educate the candidate, so that the candidate's understanding of Unificationism deepens, relation with God intensifies, and maturity increases.

When the counselor considers that the candidate has fulfilled the God's Heart requirements, the counselor signs the *God's Heart Completion Form*, which is mailed to the Unification Church Religious Emblem Committee. The Religious Emblem Committee will record the awarding of the God's Heart. The committee will also mail a God's Heart Certificate and (optionally) a God's Heart Medal to be awarded to the candidate.

Usually, the counselor will present the God's Heart award at a church meeting.

God's Heart Requirements

There are two groups of God's Heart requirements, The Heart of God and True Parents requirements and Unification Church requirements. The Heart of God and True Parents requirements are internal and Unification Church requirements are external.

The Heart of God and True Parents requirements are in three stages, the Heart of God, the Value of True Parents, and the Position of Blessed Children. The candidate should understand the heart, attitude, and temperament that Unification Church members try to exemplify.

The purposes of the Heart of God requirements are to insure the candidates understanding of Heavenly Father's heart and how He feels about the human predicament. This understanding is heartistic. It should be shown in all God's Heart requirements.

The purpose of the Value of True Parents requirements is to insure the candidates understanding of the nature, mission, and value of the messiah. This includes grasping how Reverend and Mrs. Moon became True Parents, what their responsibilities are as True Parents, and how the candidate should heartistically relate to them.

The purpose of the Blessed Children requirements is to be sure that each candidate knows what a blessed child is. It is also to show how children who are Unification Church members should serve others.

Unification Church requirements deal with the traditions of the Unification Church. To understand these traditions the candidate should inherit the heart that Reverend and Mrs. Moon have exemplified by their life of sacrificial loving and willingness to pay indemnity for others. The details of external tradition are secondary to inheriting the heart of the tradition.

If you need advice on a Unification Church requirement, contact your Local, City, State, Regional, National, or other Unification Church Leader.

Each candidate keeps a notebook, which is used to fulfill the God's Heart requirements. The God's Heart notebook is a historic record of the candidates' fulfillment of God's Heart requirements. It will be treasured by the candidates' descendants. Externally, the notebook emphasizes the seriousness of the award. As well and internally, having to write things down makes a candidates understanding clearer.

Publications that may help counselor or candidate include: *Outline of the Divine Principle Level IV (in 2015 terms this would be replaced by The Exposition of the Divine Principle)*, *The Tradition Volume 1*, *God's Will and the World*. Unification Church publications are available from the Unification Church Bookstore, 4 West 43rd Street, New York, NY 10036 (212)997-0050 x250, or by modem to xxx-xxx-xxxx.

Dear Name:

Enclosed is the current draft of the God's Heart Religious Emblem Program for the Boy Scouts of America. The God's Heart Religious Emblem Program is written for children and young adults over the age of 11. Programs for younger children may be added later.

The two documents enclosed (*God's Heart* and *God's Heart Councilors Manual*) are not in final form. I'm just trying to get the text correct. Lay out will happen later.

I don't know what the cost of a medal will be. I hope that it will be under \$10.00.

Although the God's Heart Religious Emblem Program was written for Boy Scouts, it was written so that it fulfills the requirements of the 4 H Club, Girl Scouts of America, and Camp Fire, for their religious emblem programs.

If you have a comment, please let me know. Feel free to write on the pages, and send or fax them back to me. You're also welcome to call. My fax number is xxx-xxx-xxxx and daytime voice number is xxx-xxx-xxxx.

Respectfully,
ITN
